

Who Am I?

My name is Celsius Độ Nguyễn, and I am a tech enthusiast with a passion for web development and AI...

My Background

With a strong foundation in computer science, I have honed my skills through various projects and self-study. I am dedicated to continuous learning and staying updated with the latest trends in technology.

Skills

My skills include HTML, CSS, JavaScript, and Python, with a focus on creating dynamic, user-friendly applications. I also have experience with data analysis and visualization tools.

Future Goals

Looking ahead, I aim to expand my knowledge in AI and machine learning, exploring innovative ways to apply technology for social good.
